## Building Equity, Inclusion, and Belonging in the Neighborhood Roadmap

---

You're invited to attend a preview event for the soon-to-be released PDE: Building Equity, Inclusion & Belonging in the Neighborhood Roadmap. This will serve as a strategic plan for embedding equity, inclusion and belonging into every aspect of our work in the educational ecosystem. You and your organizations are valued partners and we wanted you to have the opportunity to get a sneak peek, make connections to your current work, earn your support, and hear your feedback.
