- **Are libraries still important?**
- **Is everything on the internet true?**
- **How can I participate in this thing called democracy?**

All this and more as we discuss the current role of public libraries and how public libraries are combatting disinformation and empowering communities.

The **AUTHORS & INNOVATORS SERIES** is a community partnership that brings authors and thought leaders to the Harrisburg area in an effort to spark community conversation and engagement.

Thanks to the following partners for supporting this program: **Harrisburg Young Professionals, Steelton-Highspire School District and Luminous Strategies.**

Register for this Zoom Event at dcls.org/adultevents.

Registrants will be emailed a Zoom link, password and further instructions before the program.
